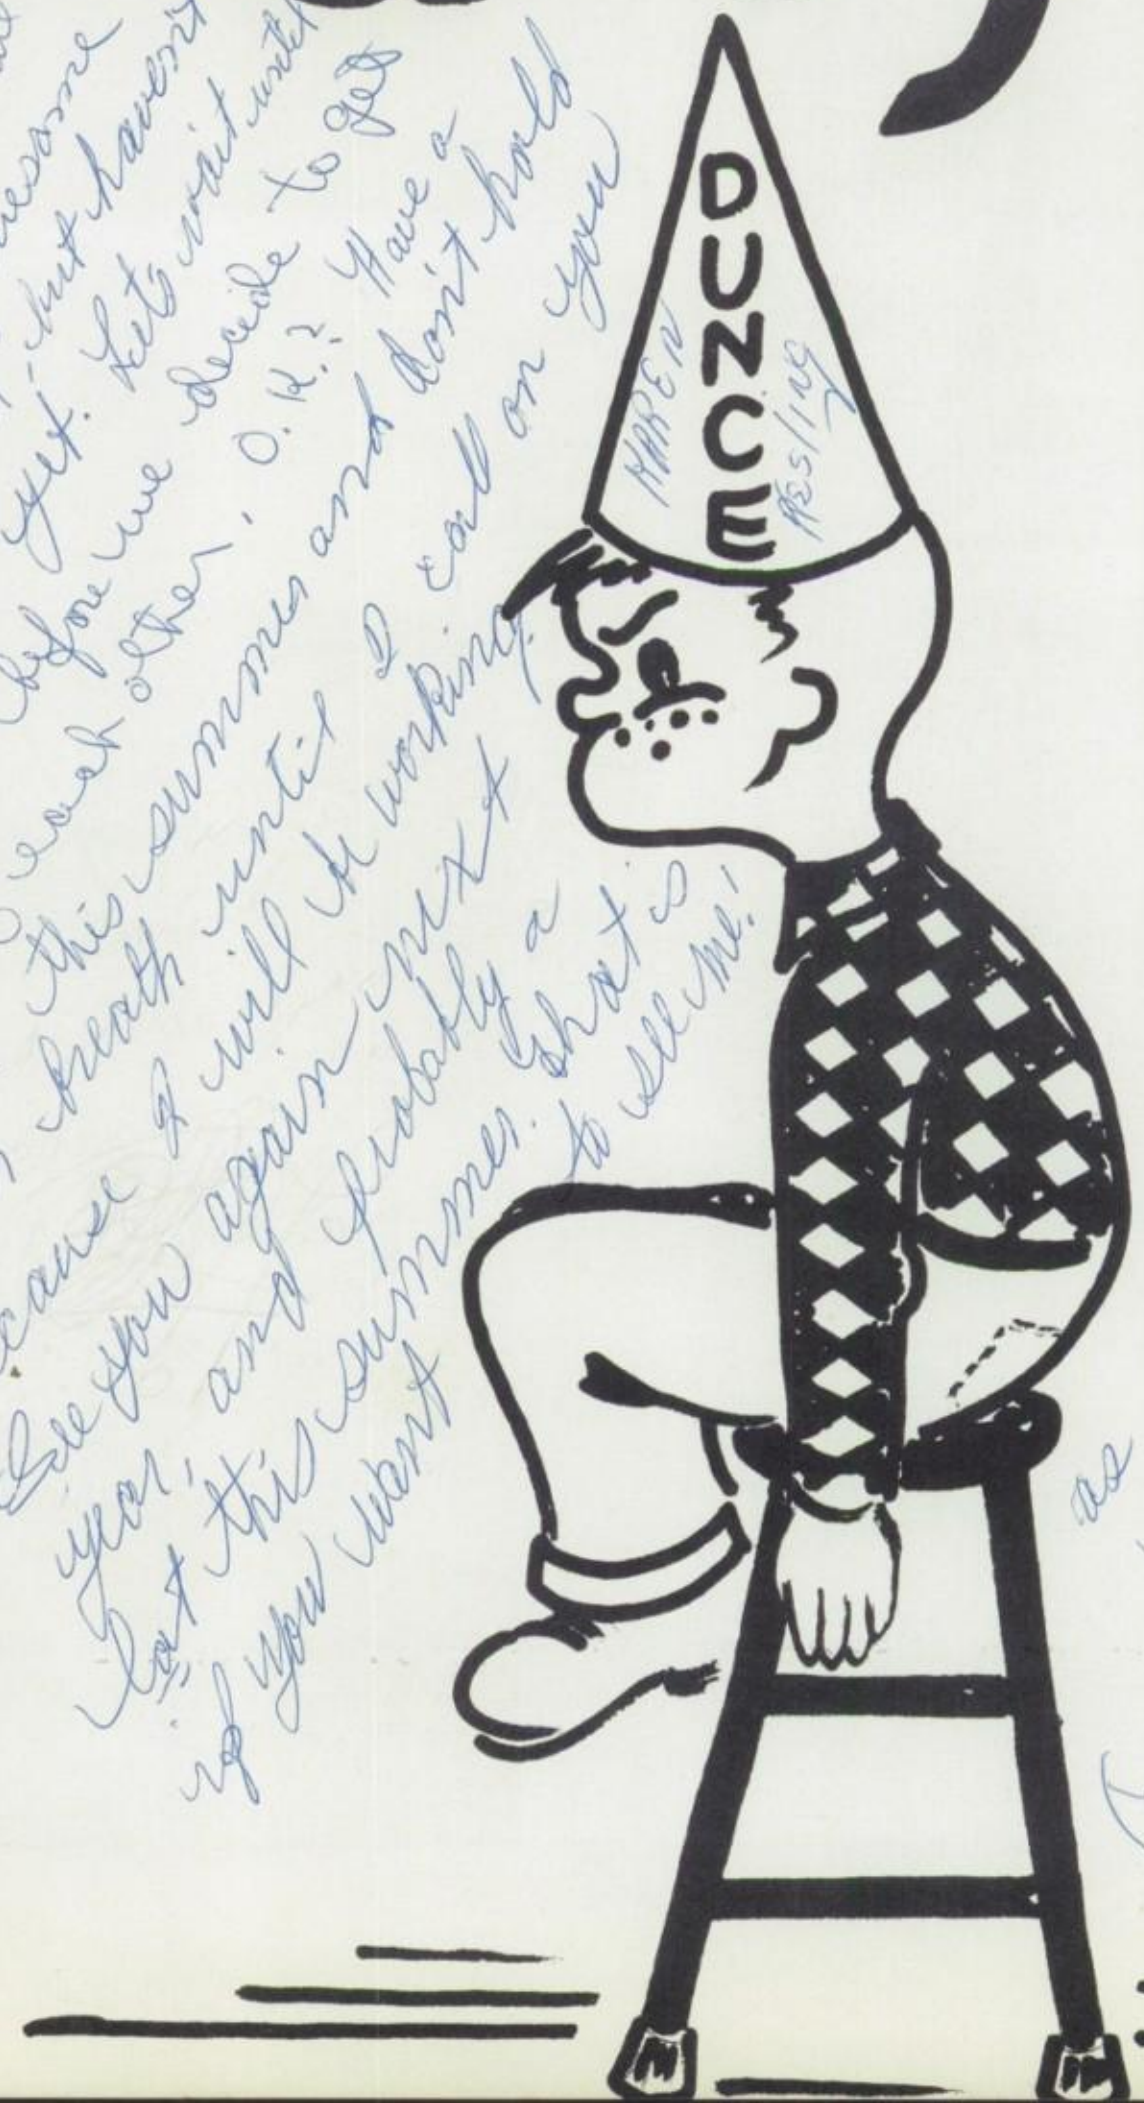
Dedication

MR. VERNON L. PUTNAM

This year the Class of 1959 is proud to dedicate its HOOFPRINT to a teacher who has unselfishly devoted himself to every phase of school life.

Mr. Putnam is well known at San Dieguito Union High School for his devotion to his students, his teaching, the Hi-Y, and his coaching.

faculty



Melissa,
Been fine knowing you. Really!!! We have gone thru five years of school-but haven't kicked-out yet. Let's wait until after. O.K.? Have a summer and don't forget I'll be around next year, and probably a few summers after to come. Be your own person & you will be successful. I will be waiting for your call on your "last" - this summer if you want to go before we decide to go your separate ways. Best of luck & success always.

Karen Kesling
(The Best Dancer, Teacher & Worst Student)

Administration

This is my seventh year in this school. There are 205 seniors and we have, by far, a bigger percentage of superior students this year than in the past. You can go out into the world and prove my point — go ahead. Good luck.

Sincerely
David N. Davidson

Those less fortunate people in the world - and there are a billion hungry people - the one thing they would like above all else, is a system of education for all - our American system of public education.

Equal educational opportunity for all is the democratic way of perpetuating our American form of government and American ideals.

It is my privilege to help maintain, promote and insure American ideals by working with one of the finest student groups in my school experience. The splendid group of men and women who comprise the San Dieguito Senior High School faculty render immeasurable service to the students in this school.

To you, seniors, my very best wishes in whatever you choose to do and may God bless you.

In the year 1959; San Dieguito Union High School bids a fond farewell to Mrs. Martha Boggs. Mrs. Boggs has been a Home Economics teacher at San Dieguito since 1945. During her years at San Dieguito, Mrs. Boggs has been in charge of and helped with refreshments at many of San Dieguito's social functions. Senior Prophecy

Well, folks, here I am again. This is **Joyce Felkey,** your world evangelist, reporting once again on all your S. D. friends from the graduatin class of '59. I just completed another world tour and was surprised to find so many friends abroad.

As I boarded the new "666" luxury liner designed by **Richard Fix** in San Francisco, I was pleased to be met by the lovely hostess, **Pat Zerbe**. Also on board were **Lloyd Thomas**, Captain, **Harold Staley**, First Mate, and the ship's excellent cook, **Dean Kesling**. **Charlotte Tate** was singing in the Stateroom, accompanied by that organ whiz, **Tex Phillips**. **Jan Cobb** was there too, trying to drown her sorrows by spending the vast fortune left by her deceased millionaire husband, **Richard Couser**. It seems he was shot while trying to uncover a smuggling ring headed by **Tom Clarke** and **Jackie Chantry**.

Upon arriving in England, I was shocked by a shattering explosion. I later learned it was just **Elvin Chastain** and **Don Burnette** trying another of their "scientific" experiments. London was apparently the center of attraction for many S. D. friends. **Judi Noren** and **Judy Fujimoto** were managing a very chic little dress shop, with **Helen Riedel** designing for them. **Rita Roddy** was also on hand as a salesgirl. I discovered from **Tom Siegel**, Goodwill Ambassador, that **Richard Salgado's** new book,**Techniques of Sewing,** had just been published by **Mike Schnarr** and **Jack Wotkyns**. **Christine West** had won an international artist's trophy for her portrait of **Bob Thomas**, distinguished member of Parliment. I got to the London House just in time to see **John Price's** famed Hula dance. It was good, but the manager, **Gaylord Odle**, said that "Elvis" **Bert Sims** was the main attraction. I also saw part of **Everett Shull's** act of knife-throwing at the live target of **Cleo Sandoval.**

In Paris I visited **Sharon Arrington** on the Riviera. I was surprised to find her butler, **Jack Binkinz**, and maid, **Connie Covert**, both speaking perfect French. Her chauffeur, **Earl Dixon**, drove us to see **Katharine Drake**, French torch singer at Ciro's, which was being operated by **Scotty De Wees** and **John Danssaert**. I also saw **Mary Elliot**, **Pat Guzik**, **Ruth Kallesen**, and **Mickie Hazelwood** doing the Can-Can in the chorus line. In the crowd I saw **Diane Johnson** and **Terry Kerr** trying to sell contraband to **Judy Hol**. They might have succeeded if they hadn't spotted F.B.I. agents **Bill McCullough** and **Bob Korwin**. Just at that moment, **John Nommeson** came running up to me begging for protection from **Henry Arganda**, whom he had just beaten in tiddly winks. I did not have time to answer, for in charged Henry and John took off at top speed. A big policeman, whom I recognized as **Tom Pratt**, told me it happened every day. It was getting late, so I decided to part company with my old classmates and find out if I could still get in to see the French Premier, **John Waldrop**. His secretary, **Marianne Van Es**, informed me he had just left for Berlin to discuss foreign relations with **Karin Strasser**. **Steve Thomas** had gone along as intreperter. My disappointment at missing them was lost in the excitement of visiting romantic Spain.

As I boarded the plane I waved good-by to the famed European diplomats, **Bob Gierat** and **Jo Ann Miller**. My pilot was **Andy Zimmerman**, and **Nancy Kesner** was stewardess. I found myself sitting next to naturalists, **Karen McCourt,** who told me that **Mary Moreno** and **Bonnie Nelson** were posing for **Tony Mahon**, noted artist in Portugal. She also had heard rumors the **Nancy Nielsen** and **Larry Rosefeld** were working "down under" in Africa trying to reform the native tribes led by **Don Slayton** and **Charles Seck.**

It was in Spain that I learned of **Wally Duncan's** success of running a charm school. He was assisted by **Peter Fox** and **Larry Drouillard**. I heard that **Bob Kimball, Ben Griffith**, and **Stanley Estrada** were attending classes daily. It may have been because **Ellen Gill** and **Joyce Herder** were instructors. **Pat Hogan,** novelist, told me that **Eleanor Leon** had been selected "The One Most Likely To". She never did say what. **Mathel McDonald and Doran** did say what. Mathel McDonald and Dorann McKinzie were enjoying relaxing at their hacienda doing nothing but ordering round their hired hands, **Michael McKinney** and **Jerry Nelson**. **Dave Muchow** had won himself fame with a new line of horses that could supposedly outrunn anything with four legs. His jockeys were **Billy Roebuck** and **Robert Skinner**. **Andrea Roth** was operating a chain of hotels with her assistant-managers, **Patricia Paz, Steve Romaine**, and **John Redikop. Ken Zeigler** had only recently completed a marvelous Spanish symphony. **James Bowen** conducted the orchestra which premiered it. Included among his talented musicians were **Riki Bettis, Tad Daniel, David Davies, Ray Gill**, and **David Gonzales**. In Madrid **Joyce Kirk** was desperately trying to teach **Ralph Lehotsky** and **David Wood** the art of gallantry. Lecturer **Tom Rutherford** was doing very well with his topic, "Be a Bachelor", until he secretly married **Georgia Crane**. The minister, **Jim Dunlap**, could hardly perform the ceremony; he was so struck by the beauty of the Maid of Honor, **Dot Mummert. Carol Glover** was there to battle **Kathy Glynn** for the Bridal Bouquet. I didn't have time to see **Larry Smith** and

Steve Taylor, who were busy tracking down the Spanish counterfeiters, **Jim Dever eaux** and **George Darrough**. **Lucy Escobedo** and **Joyce Fagerstrom** were already being held as suspects. **Gunter Amtmann**, who owned a School of Fencing, offered to have **Richard Allen**, his expert instructor, teach me the art, but I was unfortunately too rushed for time. I left Spain without even seeing **Steve Bowman, Ron Bargen,** and **Allen Green**, who had just discovered the cure to T.V.-itis, a very common disease.

For transportation in Eygpt, I made use of the Camel Caravan operated by **Linda Davidson** and **Mary Crafton**, to go see **Jerry Fleming**, who was sucessfully running a Frosty bar in the middle of the desert. He said the idea came originally from **Mitsuo Hamada.** We received word from Camel express rider **James Giles**, that **Walter Kalleberg** had just won his seventh victory over **Harold Johnson** in the Sportscar Derby held Stateside. I also heard that **Gloria Severson** was kept busy caring for her 13 children. My brief stay in Egypt was climaxed by seeing **Ken Royer** and **Butch Stillman** working on a new, improved Sphinx. **Dordi Venberg** waved good-by from her home by the Nile.

After arriving in Rome, I went directly to the Sistine Chapel, where I found **Burrell Allen** photographing the beautiful structure. Vicky Myers was also there taking notes for him. Rather than disturb them, I decided to go on to the city tour conducted by guides, **Edna Korb** and **Barbara Alexander**. I was surprised to find **David Barajas** and **Theresa Aguilar** also on the tour. We were taken by the homes of **Ron Bissonnette**, Millionaire Playboy, and **Rc Blackege**, well-known stamp collector. We were fortuneate enough to see the **Howard Brine** Library and the **Mike Burns** Museum of Prehistoric Animals. We also saw the University of Rome, where **Nick Gulling** and **Barry Goddard** were professors. **Alice Lyman** and **Kitty Muerdter** were students majoring in anthroplogy, the study of man. Our tour was nearly over when we happend to see actor **Frank Chino** running out the side entrance of a local theatre, trying to avoid the screaming mob of his all girl fan club. I don't think he made it though, because the president, **Anita Sanders,** spotted his attempted escape. She, along with **Connie Surpine**, led the crowd in his direction. Midst all the commotion I saw the directors, **Ronnie Carr** and **Kerry Coughlin**, looking pleased at the popularity of their star. I noticed that **Robert Bruun** and **Linda Brooks** were co-starring in the movie. Our tour ended abruptly when world reporter **Lois Brouillete**, came running up to tell us that **Bill Buck** had just beaten **Don Brown** in the National Bicycle-Riding Contest. Don protested with no success to judges **Janet Tsutsumi** and **Barbara West**.

My next stop was Moscow where I was readily admitted, thanks to the help of **Sandi Wilks** and **Ardin Wright**, guards at the city limits. **Mike Piel**, Commander of the Russian army, was able to show me the high spots. He remarked that **Herb Smith** had been promoted in the Government for his part in exposing the U.S. spies, **Joselle, Takach, Janice Verbal**, and **Ken Voak.** He also said that **Meredith Shuler** was moving up in Russian society. He knew the activities of many of my U.S. friends, as the Rusians always do. **Lynette Sanford** and **Mike Shores** were snake-charmers in India. **Janet Taylor** and **Gary Garner** were working as missionaries in Korea. **Linda Denk** was there too, teaching English in a Korean school. **Carole Baudy** and **Janelle Finley** were singing in a Swiss cafe owned by **Connie Wright**. **Etta Vander Woude** and **Lynn Stevenson** were giving skiing lessons in the Alps.

In Australia I met **David Smith** and **Gilbert Zimmerman**, who showed me their pet Koala Bears being taken care of by **Robert La Fleur.** The Australian painters, **Deanna Dion** and **Catharine Hower**, told me that "Bring 'em back alive" **Sharon Asmus** was off one one of her treks to Borneo with her guide, **Rosemary Gillespy**. I heard that **Margaret McCarthy** and **Mike Sugita** were doing quite well as a neuclear physicists in Melbourne. Before leaving Australia, I was able to see **David De La Torre** and **Daniel Gonzales**, busy training their kangaroos.

Up in Japan I found **Delores Minshew** giving lessons to would-be geisha girls, **Ingrid Uhlig** and **Glenda Kawano**. **Carolyn Lewis,** proprietess of a Japanese Teahouse, informed me that **Ron Hogan** owned a prosperous chain of rickshaw stands in China. Before departing for Canada, I saw **Eddy Myers** taking off for the moon in his home made, do-it-youself rocket. His only brave passenger was the navigator, **Harriet Raible**.

In Quebec I attended a U.S.O. show presented by Admiral **Dick Grindl.** His attractive stars were **Lupe De La Torre** and **Phyllis Sharp.** The French Canadians greatly approved the shows. Back in New York **Carol Ward** was being officially declared "Miss U.S.A". Sitting in on the contest was **Verna Gann,** the first woman president. Her Secretary of State was **Carol Laybourn**. In Washington, D.C., I learned from newly elected Supreme Court Judge **Ggeg McBain**, that two of San Dieguito's top athletes, **James Mitchell** and **Jim Jeffries**, were playing professional football for the Los Angeles Rams.

Well, Folks, that's the latest news on your S. D. Friends. So, once again, this is your world evangelist, saying "so-long" and "God be with you".

Joyce Felkey

Well, school is almost over. In a way I'll be glad but I'll miss it in another way. It really has been fun this year. It's been fun knowing you. I hope we will always remain friends. Good luck and all the much.

The best and most successful Mustang eleven since 1950—that's the verdict for the 1958 edition of varsity football at San Dieguito.

The spirited squad notched an excellent 6-3 record for all games, the best since the championship days of 1950. An almost perfect league mark of 5-1 enabled San Dieguito to tie Mar Vista and Vista for the League crown. However, in a draw between the three teams, the Mustangs won the right to represent the league in the playoffs, the ultimate goal of every team.

Our team journeyed to Calexico for its first game and were crushed, 26-12.

Led by their pile driving fullback, Ed Drcar, who rushed for 142 yards and 3 T D's the Mustangs opened league play with a convincing 27-13 triumph over Mar Vista.

The following week a stubborn Carlsbad squad fell to San Dieguito, 28-7, after a 7-7 tie at halftime. The locals ran their winning streak to three with an easy rain splashed 32-6 conquest over winless Fallbrook.

In the big game of the year at that time between Vista and San Dieguito, the Panthers won handily on their home field, 48-13, and appeared to have the championship sewed up. But, they lost their final and only game of the year to Mar Vista, 7-6, while the Mustangs won three straight again, Aviation 39-6, Coronado 28-0, and Oceanside 19-6.

The great homecoming victory over our rival, Oceanside, made the whole season a success. It was the first time in 21 years that a San Dieguito football team had beaten a Pirate eleven. The Coronado win was revenge for the pasting by the Islanders in 1957.

The season reached a dramatic climax when San Dieguito faced Brea O Linda in a first round small schools' playoff game at La Habra. The Mustangs were 2 T D underdogs and lost by just that, 34-20. San Dieguito outscored and outplayed Brea O Linda in every quarter but the second, when the Wildcats pushed over 21 points in 3 minutes, thanks to two recovered fumbles and a freak run. The Mustangs never laid down, though, and played an admirable game.

The Brea O Linda contest was the high school finale for 15 seniors, seven of whom started offensively. These valuable starters who will really be missed next year, were Jim Mitchell, George Darrough, Mike Piel, Rich Allen, Bob Gierat, Eddie Myers, and Jim Jeffries. Other members from the class of "59" were Don Burnette, Ardin Wright, David Gonzales, Wally Duncan, Tad Daniels, R. C. Blackledge, Mike Shores, and Tom Rutherford.

The Mustangs had a tremendous running attack, a secret weapon in their passing attack, and were one of the highest scoring teams in the county. The defensive eleven was usually very strong, and of course there were the great co-coaches, Mr. Ernie Zeno and Mr. Southworth.

Jim Mitchell and Dave Rightmer, two speedy halfbacks, waged a close battle most of the year for the rushing and scoring titles, with junior Rightmer finally winning out. Dave gained 532 yards in 93 carries, to Mitchell's 447 in 87 runs. Rightmer also tallied 60 points, second best in the league, while the shifty hipped Mitchell was third with 56. Both were very dangerous on punt and kick-off returns.

Fullback George Darrough was the team's biggest surprise as he netted 417 yards in 50 attempts and an excellent 8.3 average and 18 points. When the season began, Darrough was Drcar's competition at full, and didn't even play in the first two games. However, Drcar was injured in the Carlsbad game and from then on Darrough was in the driver's seat at full. His best game came when he gained 152 yards rushing against Aviation. Drcar had 247 in his three games and 27 points.

Junior quarterback Frank Mannen did a real great job in directing the team from the T formation. Mannen completed 12 aerials for 171 of the Mustangs' 511 yards passing. Don Burnette connected 6 times for 117 and sophomore Dick De Wees 4 times for 223 yards and 4 T D's! San Dieguito averaged 23 yards per pass completion, which was tremendous. Jim Mitchell, Eddie Myers and junior Boyd Galland each caught five passes and Mike Shores 7. Mitchell made 176 yards to lead in that department.

The Mustangs scored 218 points this year for a steller 24 point average, and the linemen scored 17! Defensive end and offensive tackle Mike Piel made 8 himself running a blocked punt into the end zone and by tackling a runner in the end zone for a safety. Guard Bob Gierat picked up a fumble and ran 61 yards for a TD in the Coronado game. The final three points came when middle guard Ricky Francis, a sophomore, made three extra points.

The defense was a very solid unit. At ends were Piel and Allen, who were both stalwarts. They usually kept the end sweeps in and were tough men to block out. At tackles were Jim Jeffries who in his last four games was simply tremendous, and Jim Daniels a spirited junior. Usually at guard were Guy Selleck, a promising junior and Al Thomas, a very rugged performer. Backing up the line were the 220 pound Francis, Bob Prahl, another fine junior performer, and of course Bob Gierat, the most alert man in the team. Gierat weighed only 157 pounds but was a fierce and good tackler. Safetymen were Eddie Myers, Dick De Wees, and Ray Coronado, a junior.

Piel and Gierat were the key men defensively and on the all-league selections. Piel was on the first team and Gierat was the biggest point getter for second team honors. Dave Rightmer also landed on the second team, while his running mate, the 142 pound Mitchell, was a first team pick. Several other Mustangs made honorable mention.

To coaches Zeno and Southworth, go loads of credit for the success of this year's eleven. They worked real hard with the boys who in turn worked hard for their popular coaches. To show their appreciation, the boys of the 1958 San Dieguito Varsity football team presented the game ball from the Oceanside game to Mr. Zeno and Mr. Southworth.

Yes, San Dieguito can be proud of this year's team, the first Mustang football team to beat Oceanside in 21 years and the first one to go to the football playoffs since 1950. The success was well deserved by both team and school.

In statistics, the San Dieguito Colts had a banner year. But in reality, the season was only so-so. The Colts ended the season with 3 wins, 2 losses, and 2 ties.

The impressive victories were over Army-Navy, 35-0; Carlsbad, 32-0; and Fallbrook, 25-7.

San Dieguito had three players that were outstanding on offense; Ronnie Ringsmuth, Gaylord Odle, and Eddie Blumka. The defensive stalwarts were Jack Higgens, Gerald Wermsman, Mikio Hamada, Dennis Booth, and Dan Lyman.

"Most Valuable Player" award went to Jack Higgens and Captain to Gaylord Odle. Mr. Newcombe and Mr. Putnam coached the team to a good season.

Although the Mustang five finished in a disappointing three way tie for third place in the Avocado League, they nevertheless compiled a nifty 15-9 seasonal record that included winning the Kiwanis Limited Tournament.

Coach Pruett's forces notched an 8-4 record before league play started, after dropping 3 of their first 4 games. The Mustangs got off to an early league start by winning 4 straight, but then they dropped 5 of their last 8 to fall from their perch atop the league into a tie for third with Coronado and Vista at 7-5. Mar Vista won the league with a 10-2 mark while Oceanside finished second.

When the final buzzer rang in the Oceanside tussle, it signed the end of successful high school careers for seniors Mike Shores, Jim Mitchell and Tom Rutherford. The junior trio of Alan Jansci, Boyd Galland, and Dave Jolly also gave valuable efforts towards the team's success this year.

Shores, properly nicknamed "the tree" for he stands 6' 5" and weighs 210 pounds, was San Dieguito's leading scorer and top rebounder. Shores racked up 222 points for a 9.6 average, making him one of the league's highest scorers.

Mitchell, the scrappy "mighty mite" who stands a mere 5'4", was San Dieguito's most valuable performer this year. The hustling playmaker with a tremendous desire to win, collected 177 points the past season to climax a brilliant career, defensively and offensively.

Rutherford, a strong 6'3" forward, played a consistent part in the San Dieguito attack. Big Tom supplied 150 valuable points, was a good rebounder and excellent at defensive play.

A broken arm early in the school year really hurt Jansci's chance to have a blazing offensive year. Unable to straighten his arm fully, Jansci lost much accuracy, but nevertheless piled up 111 tallies in 20 games.

Jolly and Galland, both 6'1", were greatly alike. They both had as their favorite and most productive shot a loping jump from the corner. Jolley, who played very little on the Varsity last year, really improved, and was the team's third highest this year, with 165, while Galland moved up from Bees to pump in 130, plus being an aggressive rebounder in the later stages of the season.

Others who saw quite a bit of action this year were juniors David Cooper (40 points) and Gene Price (270) and sophomores Randy Simpson (19), Don Burland (27) and Larry Scholl (28). The rest of the team was filled out by Bob Menko, Tom Devaney, Tim Angiolet, and Bob Clemens.

The highlight of the year came when the Mustangs won the Kiwanis tournament in December. San Dieguito smashed the Army and Navy and Fallbrook in their first two contests, then met Oceanside in the semifinals. Thanks to 18 points by Jolley, the locals were able to win, 44-40, and move to the finals against a tough Mar Vista five.

One of the most successful "B" teams in San Dieguito's history compiled a brilliant 11-1 league record to win the Avocado "B" league championship. For the season, the "B's" had an outstanding 16-4 mark.

Mr. McCracken's five won their last nine games in a row, including a showdown tussle with Oceanside in the years finale. Mr. McCracken did a wonderful job in his first year at San Dieguito, building a team of sophomores and only 1 junior into a smooth working machine.

McCracken was blessed with several sharpshooters and tremendous board strength. The team's big offensive gun was their little, (5'3"), guard, Steve Stilley, who pumped in.216 points in 20 games. To show his great consistency, Stilley hit in double figures 12 times.

Repa, the Colts 6'2" center, not only was a prolific scorer with 177 points in 19 contests, but was a tiger on the boards in every game. The third "100-plus" point-getter was Steve Dillimuth, a rebounder, with 135 tallies. Dillimuth also held the season high for one game at San Dieguto with a blistering 24 points.

These three boys, Stilley, Repa, and Dillimuth were the scoring nucleus of the league's best team.

Another valuable rebounder and scorer was Barry Doell with 82 points. Other high scorers were Jimmie Gonzales-51, Barry Douglass-46, Bill Kundinger-42 and John Gathrite-40. The rest of the squad was filled out by Dan Lyman, Mikio Hamada, John Carey, Dave Fairchilds, Gary Goodwin, Malcom McCassey and Lynn Martin.

San Dieguito won 4 of their first 5 practice games and then entered in the Oceanside Tourney. This was one unsuccessful venture, though, for although smashing Julian, they lost to Vista, 30-28, and to Fallbrook, 43-35.

When league action began, the Colts weren't seriously considered to win the league title. In its first games, San Dieguito defeated Carlsbad and Coronado bit their third contest, they lost a heartbreaker to Vista, 48-45, despite 21 points by Stilley.

A determined Colt five then began a drive that was to culminate in a league title. First the socked Fallbrook, then edged Mar Vista 42-41, on a last second lay-in by Steve Dillimuth. With that shaky win out of the way, the "B's" upset Oceanside 49-34, with a 22 point outburst by Ted Repa to move into a first-place tie. The following week, Repa turned in another brilliant performance with 22 points as the Colts withstood a furious comeback by Carlsbad, 57-56.

San Dieguito then notched a win over Coronado and Fallbrook as Stilley swished 21. A stubborn Vista five fell 52-42 as Dillimuth fired in 24 tallies. The Colts won their next to last game over Mar Vista, 37-32 to set up the showdown with Oceanside.

In this well-played season final, Stilley, Repa, Lyman, Dillimuth, and Douglass worked as a team and the net result was a 44-36 victory that won the league.

Yes, San Dieguito can be proud of their "B" champions, the first ones in many years at S. D. Ted Repa was awarded Most Valuable and Stilley was elected Captain by his teammates.

By Bill Bruns

Track

Although lacking depth in most events, San Dieguito nevertheless had its share of track standouts the past season. The varsity finished 3-3 in league meets, good for a third place tie. However, the league champion was decided at the league finals, after we went to press. The Mustangs were given a good chance to win these finals.

The outstanding track man at San Dieguito this past year was a Junior, Dave Rightmer, whose specialties were 100, 200 and anchor man on the relay team. Rightmer was never beaten in league competition in the sprints, an unprecedented feat in the seven year old Avocado loop. Speedy Dave has had the best league time in the 100, 10.3, which is .4 of a second over mark of 9.9.

Two other excellent runners, both seniors, were Ardin Wright in the 880 and Guntar Amtmann in the mile. Wright lost only once in his specialty, to teammate Pete Knoll, and flirted with the school record all year. His best time of 2.03.4 was only 1.1 seconds over the mark. Amtmann won the mile in every league meet (5) that he ran. His best clocking of 4.44.5 is second only to Victor Hicks' school mark of 4.42.4.

In the field events, the Mustangs had several good men. The high jump was ably held down by Harold Staley, a senior, who won 4 times in league action. Against La Jolla he had a brilliant jump of 6 foot to tie the school record. Stan Estrada, was a fine performer in the pole vault, losing only once. This Senior vaulter also toyed with the school standard of 11-4. Ricky Francis, a Sophomore, was top gun in the shotput as he won four times in League. In the broad jump, three Seniors, Bob Bruun , Gaylord Odle, and Eddie Myers shared honors.

Other varsity members who helped toward the team's success were Mike Piel, a senior, who notched 18 points in the 440, Don Burland, a sophomore who ran the 100 and 440, Pete Knoll, a junior, in the 880 and mile, Tony Garcia, a junior in the mile. Darall Lewis, a junior, Gaylord Odle, George Darrough, seniors,and Staley in the hurdles and Steve Bowman, a senior, in the pole vault and shot put. Other boys who added a few points here and there were Senior Jim Mitchell, and Juniors Dick Grindle, Boyd Galland, and Bob Clemens.

The B and C teams both had fine league campaigns with records of 4 and 2 each.

Bill Bowman was the big gun for the B's with 8 points in 9 meets, an average of almost two firsts. Bowman was a triple threat in the shot put, pole vault, and 220. Another valuable man with 64 tallies was Tex Philips who sparked in the 100, 220 and broad jump. Barry Douglass won the 660 four times to pace his team in that event. Dennis Wolfe and Harry Leach held down the 1320, and John Martin was top man in the hurdles. Getting to the field events, Wolfe was top point getter in the broad jump, Jack Higgins, Jay Meinhardt and Robert Clevers shared honors in the high jump while Dick De Wees was a big performer in the shot put.

Vernon Thompson was the most valuable C, as he scored 99 points to lead all Mustangs. Thompson gained his points in the 100, high jump and the shot put, the latter two his specialties. Another big point getter was Larry Palmer with 68 points coming in the 100 and 180. Dave Fairchild was also strong in the 180. Alan Jansci lost only once in 6 meets in the 660 while Gary Goodwin and Dick De Wees starred in the hurdles. In the pole vault, Bob Dean, Rich Salgado, and John Waldrop, won a total of 8 of the nine meets. Besides Thompson in the high jump, Ronald Berg and Fairchields stood out, while in the shot put, De Wees was 2 for 2, breaking the school record both times. Thompson along with Berg and Salgado accounted for victories in all the other meets. There was no individual standout in the broad jump.

Prospects are real good for next year, even though 11 valuable seniors will be lost. There will be a lot of standouts from the Junior and Sophomore Classes returning to fill their shoes, Coach Southworth hopes. Another successful season should be the result.

Baseball

Things went along great for the San Dieguito horsehiders until the last two games of the first round. Then the Mustangs, who had won their first four league tests, dropped two straight to Mar Vista and Oceanside, and fell from first place to third, after one round (the yearbook then went to press before the second round was played).

San Dieguito's performance the past year, through their first six league contests, was far better than in 1958. The Mustangs won only 3 league games that season and 4 during the entire year. But in 1959, they were 7-5 and 4-2 respectively, with six games left to play.

The key to San Dieguito's early league success was their smooth working defense, tight pitching, and able hitting. The offensive load in league was carried by several players. Two seniors, third baseman Rich Allen, and center fielder Bill McCullough, were both near the top of the league with excellent batting averages of .500 and .417 respectively. Another fine average that of Mike Stapley, .308 was this juniors average. Other league averages above the team medium of .239 were Randy Simpson's .266, Steve Thomas' .250, and Rich Couser's and Guy Selleck's .238. Stapley led the team in homers with two while Couser, Selleck, Simpson, and Thomas each belted one. McCullough had the best seasonal average of .400, while Allen was swatting .364. The team average was only .202.

Coach Putnam, in his freshman year as varsity coach, usually employed the following boys on defense. As catcher was Simpson, a versatile sophomore who helped the team a lot. Selleck handled the chores real well at first, as did the scrappy Jay Helmantoler at second, Thomas at short, and Allen and Stapley at third. In the outfield, Couser was in left, McCullough in center, and Mitsuo Hamada in right. All the previous boys are seniors except Simpson and juniors Stapley, Helmantoler and Selleck. Others on the team in the outfield were juniors Bernie Thomas, Bill Dundinger, and Bob Prahl, while senior Bill Roebuck filled in at second.

Handling pitching chores were Herb Smith, Tom Devany, and Bill Bruns, each with two victories; Simpson notched one. Bruns, a junior, was the teams' workhorse with 30 innings; senior Smith worked 24 innings, and junior Devany, 20. In league action, this trio had a remarkable earned run average of 0.73. In the first four games they received almost errorless backing, but against Mar Vista, 6 errors were made, and against Oceanside 4 were made. The scores of these losses were 7-3 and 7-2 respectively.

A lot could have happened in the crucial second round. Oceanside, the league leader with a 5-2 mark, could have fallen apart and the Mustangs might have slipped in to win the pennant. But one thing is for sure. San Dieguito really improved this year, and "Look out next season." Those Mustangs are going to be tough.

Girls' Athletic Association

The pledge of the club is contained in the letters GAA; growth in character through comradeship in games; athletic skill which develops radiant health; allegiance which results in service to our school. Each member is expected to live up to this pledge.

This year, 1958-59, proved to be another successful year for the club. This was possible through the supervision of Miss Portia Peterson and her assistant, Miss Marcia Hedges. They helped the club plan activities, lent us new ideas for sports, and gave freely and willingly of their time. The office of president was filled by two very capable girls, Alice Lyman, first semester, and Linda Davidson, second. They did a very good job in handling the meetings.

Just a few of the many activities sponsored by the club were a beach party at Moonlight, a delicious dinner prepared by the sophomores, a playday at Fallbrook, a snowtrip to Big Bear, a hockey game against Escondido, an officers' trip to Palm Springs and the initiation of new members.
